

Lakes District Arts Council Scholarship Application Form Visual Arts

Welcome to the Lakes District Arts Council (LDAC) Scholarship Application process. The application is the first step in the process to award a scholarship for the school year ending in 2016. The more complete your application, the easier it will be for the LDAC Scholarship Committee to assess your qualifications for the award in a positive light.

If you are called for an interview with the Lakes District Arts Council, the following will be required:

- You will need to present a portfolio of your work which demonstrates your passion for the Visual Arts.
- Your portfolio must contain works of Art completed at school as well as outside school plus a sketchbook or two containing various concepts of work in progress.
- You must have a working knowledge of several mediums and express this knowledge in a creative way while attending the interview.
- During the interview you will be asked several questions pertaining to your potential career in the Arts and how this scholarship will aid you in this pursuit.
- Have a reference or two who can supply us at the interview with a written statement that confirms your involvement in the Arts.
