## THE WORLD OF OPERA

October 19, 2006  
Thursday evening, 7:30 pm

The Lakes District Community Choir will perform selections from 'The World of Opera'.

**Vancouver Opera Touring Ensemble.** Mozart's beguiling music and First Nations mythology intertwine in Vancouver Opera's touring production of **'THE MAGIC FLUTE: QUEST FOR THE BOX OF SHADOWS'**. Five talented singers and a nimble-fingered pianist perform this enchanting 45-minute adaptation of Mozart's opera, set in the looming coastal forests of BC. Sung in English, fully costumed and cleverly staged, **THE MAGIC FLUTE** incorporates First Nations mythology and many of Mozart's familiar melodies. The production was conceived with an advisory group of First Nations artists and the First Peoples' Heritage, Language and Culture Council.

## A NIGHT OF HOT JAZZ

November 23, 2006  
Thursday evening, 7:30 pm

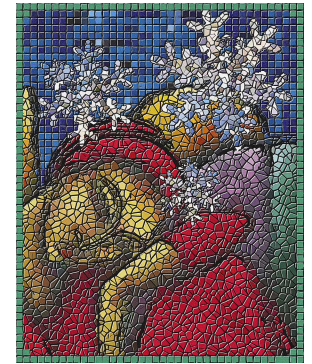

**Van Django** is an exciting and entertaining quartet inspired by the music of Django Reinhardt and Stephane Grapelli. Their 1930's gypsy jazz group was known as the 'Quintet of the Hot Club of France'. Accomplished arrangers and composers in their own right, the members of Van Django play music with passion while remaining true to the classic sound of the quintet. Expect a thoroughly entertaining evening and a walk back in time!
